We make honest and versatile food of what nature offers us. Ons Huis is part of Hotel Mercier. History relives at the straight friendly hotel with 48 rooms. The authentic Berlage style is showed in the interior. Think of Art deco, robust wooden furniture with a touch of velvet and rich prints. The lobby is built in style of the old library and feels like a second home. The monumental building on the Rozenstraat 12 at a unique location at the Jordaan in Amsterdam is the place to be for sleeping, dining, working or meetup with locals. The philosophy of Helena Mercier, founder of 'Ons Huis' was to bring the neighbourhood together, learn from each other and enjoy time together.
