WHO IS LOUIS?

Soak up the Parisian vibe at Café Louis and indulge in its French-inspired signature dishes.

Think of original steak tartare, Lady steak, Boeuf bourguignon and salad with duck liver. Enjoy the Chef's surprising dishes throughout the day. At Louis you always know that it is good, because there is one set menu for lunch and dinner with a number of changing seasonal dishes. With a focus on sustainability and an eye for the artisanal, the bistro sources its products from established, local partners. Each of Louis's dishes has a story! At Louis there is space for 70 persons and has a 'petit' terrace outside and Orangery connecting the bistro.

Louis' cozy and trendy bar not only invites you during the day but also in the evening for drinks with friends, loved ones or exciting dates. Start with an aperitif with a small bite and take a signature cocktail from the extensive cocktail menu later in the evening. Or take a seat at the bar after an intensive day of shopping for a high cocktail menu. Be inspired by the regular bartender. Santé!
