

F&B Employee – Fulltime

Do you have a passion for food and drinks and would you like to share this with your guests and colleagues? Are you always energetic and full enthusiasm at work? Then being F&B Employee at Hotel van de Vijssel is the ultimate place to start with your new challenge!

What does your working day look like? Your working day can start both on weekdays and weekends. As a F&B Employee, you will start up the breakfast and make sure that your guests are provided with their needs and expectations, since breakfast is the most important meal of the day! In addition, you will ensure that the restaurant shines again so that guests can take a seat in the restaurant and enjoy their lunch!

However, in the evening is the chef absent, so you are also responsible for the preparation of the diner. In this way you create a personal connection with each guest, since you execute the whole process from serving the drinks till preparing the dishes. As a person with passion for hospitality, it's an advantage that you have knowledge of dishes, wines and cocktails (*but everything can be learned*). In short, you will make sure that your guests are completely satisfied, from arrival to departure.

Who are we looking for?

As a F&B Employee, you ensure optimal hospitality. You take care of our guests from the moment they arrive to the moment they departure. They lack nothing because of your hospitality, attitude and attention to details. In addition, you always have a smile on your face and you know how to surprise our guests with excellent service and a friendly chat. You also have experience in the hospitality industry and you manage the Dutch and English language. You have a passion for food and drinks and would like to pass this on to our guests. Having knowledge of dishes, wines and cocktails is also a preference.
