

F&B Employee – Fulltime

Do you have a passion for food and drinks and would you like to share this with your guests and colleagues? Are you always energetic and full enthusiasm at work? Then being **F&B Employee** at Hotel Roemer is the ultimate place to start with your new challenge!

What does your working day look like? Your working day can start both on weekdays and weekends. The shift starts at 06:30. As a F&B Employee, you will start up the breakfast and make sure that your guests are provided with their needs and expectations, since breakfast is the most important meal of the day! In addition, you will ensure that the restaurant shines again so that guests can take a seat in the restaurant and enjoy their lunch! Due to the small-scale hotel, checking the quality of the hotel rooms is also your responsibility throughout the day. Also, you are responsible for refilling and keeping track of the stock of the minibars in the rooms.

However, in the evening is the chef absent, so you are also responsible for the preparation of the diner. In this way you create a personal connection with each guest, since you execute the whole process from serving the drinks till preparing the dishes. In short, you will make sure that your guests are completely satisfied, from arrival to departure. Also, you are responsible for preparing the small dishes and the preparations, such as soups and the staff meals.

Who are we looking for?

As a F&B Employee, you ensure optimal hospitality. You take care of our guests from the moment they arrive to the moment they departure. They lack nothing because of your hospitality, attitude and attention to details. In addition, you always have a smile on your face and you know how to surprise our guests with excellent service and a friendly chat. Having knowledge of dishes, wines and cocktails is also a preference (but everything can be learned). In addition, it is an advantage that you are in possession of HACCP / Hygiene Code, but if you do not have this you can follow a training course.
