F&B Employee - Parttime

Do you have a passion for food and drinks and would you like to share this with your guests and colleagues? Are you always energetic and full enthusiasm at work? Then being **F&B Employee** at Hotel Vondel is the ultimate place to start with your new challenge!

What does your day look like? As a F&B Employee, you will start up the breakfast and make sure that your guests are provided with their needs and expectations, since breakfast is the most important meal of the day! In addition, you will ensure that the restaurant shines again so that guests can take a seat in the restaurant and enjoy their lunch! Due to the small-scale hotel, you are responsible for refilling and keeping track of the stock of the minibars in the rooms.

Or, your day starts in the afternoon with welcoming guests and provide them with coffee, tea or other drinks. During diner you serve these guests the dishes together with suitable wines. As a person with passion for the job it is a preference if you have knowledge of dishes, wines and cocktails (*however, everything can be learned*). In short, you make sure that the guests are satisfied from the moment they arrive till the moment they departure.

Who are we looking for?

As a F&B Employee, you ensure optimal hospitality. You take care of our guests from the moment they arrive to the moment they departure. They lack nothing because of your hospitality, attitude and attention to details. In addition, you always have a smile on your face and you know how to surprise our guests with excellent service and a friendly chat. Having knowledge of dishes, wines and cocktails is also a preference (but everything can be learned). In addition, it is an advantage that you are in possession of HACCP / Hygiene Code, but if you do not have this you can follow a training course.
